

Dear Community Partners,

We are excited to host the Inaugural Future Fair sponsored by The San Marcos Promise and San Marcos Unified School District's Career Technical Education (CTE) Program. Together we strive to open doors for our students by helping them explore their strengths and interests, discovering a multitude of careers suited to their passions, and helping them plan and embark on a practical path toward their future.

We are looking for a wide range of exhibitors to motivate and inspire students to dream big about their futures. We are seeking businesses, employers, and education providers to share their skills and knowledge. We need your expertise to help students understand their many future career options and the vast array of pathways that within different industries. So, please think of a great way to interact with hundreds of interested students and parents, exciting them about all of the incredible opportunities the future holds for them.

This event will be open to all students and families in the San Marcos Unified School District.

Date: **April 24, 2019**
Location: **San Marcos High School**
1615 W San Marcos Blvd
San Marcos, CA 92078
