## Freshmen Orientation

August 11, 2020 8:00 am -12:00 pm

Grizzly Pavilion

Kick off your freshman year with Mission Hills High School's Freshmen Orientation. Join us for an assembly, small breakout sessions, a detailed campus tour, and a chance to get to know your mentor for next year. That's right, every 9th grader will be "linked up" with a current Junior or Senior mentor to help you be successful as a Grizzly. So be sure to come out on August 11th and start your high school career off right.

**This orientation is for incoming 9th graders only.**
